Bremerton, WA 98310

Dear Ms. Sesko:

Thank you for your letter dated April 4, 2013. We are currently investigating historical practices at the Bremerton Gasworks Superfund Site (Site) that may have resulted in releases of hazardous substances, as well as entities that may have responsibility for such releases or that may have information related to the Site. We will consider the relevance of the information you submitted as part of this information gathering process.

Please do not hesitate to call me if you have any questions.

Sincerely,

A handwritten signature in blue ink, which appears to read "William M. Ryan", is positioned above the printed name.
